

Tri-Max™ Showerhead

N2615CH

OVERVIEW

The Tri-Max™ Adjustable Flow Rate Showerhead delivers satisfying showers—saving up to 40 percent more water than other efficient showerheads by allowing users to tailor water use to showering tasks. Select 1.0 GPM for standard showering, .5 GPM for soaping-up, and 1.5 GPM for powerful rinsing. Integrated Equiforce® Technology ensures uniform flows, great feeling sprays, and broad coverage regardless of your home's water pressure. It's attractive, streamlined design compliments any bathroom decor.

FEATURES

- **Tailor Water Use To Showering Tasks**

Choose between 0.5 GPM for soaping, 1.0 GPM for standard showering, or 1.5 GPM for a powerful rinse—just twist to adjust.

- **High-Efficiency Performance**

Reduces water usage by up to 40% compared to traditional efficient showerheads.

- **Great Feeling Sprays**

Integrated Equiforce® Technology ensures uniform flows, great feeling sprays, and broad coverage even in lower water pressure homes.
