

Healthguard® Showerheads

N9415CH

N9415CH-HH

OVERVIEW

The Healthguard® showerheads, available in fixed mount and handheld options, offer a unique combination of high-performance innovations and health and safety features. Five spray settings (full body, massage, rain, jet, and power spray) create the ultimate personalized shower experience, while our patented Equiforce® Technology delivers uniform flow, high-pressure sprays, and broad coverage—even in lower water-pressure showers. The Healthguard® Showerheads' removable, antimicrobial faceplates are ideal for hospitals, healthcare facilities, assisted living facilities, and families seeking healthier showers. Their corrosion-resistant, high-impact ABS bodies ensure durability, and the metal ball joints provide smooth, 360° directional adjustments shower after shower.

FEATURES

- **Personalized Shower Experience**

Enjoy five spray options including full body, massage, rain, jet and power spray settings.

- **Designed for Health and Safety**

The removable, anti-microbial faceplate allows easy cleaning of the inner spray-head and nozzles to safeguard bathers health and wellness.

- **Equiforce® Technology**

Our patented flow enhancement technology ensures a satisfying shower experience by delivering uniform flow, high-pressure sprays and broad coverage even in lower water pressure homes.

- **Durable Materials**

Made with corrosion-resistant, high-impact ABS body with metal ball joint for smooth, 360° directional adjustments.
