

Door Shoes

A217V36L

A216V36L

OVERVIEW

Providing a strong seal against drafts, fire, smoke, dust, noise, and light, our Door Shoes are the durable solution for sealing warped, uneven, and damaged door bottoms. Made of architectural-grade extruded aluminum and a pliable sealing gasket, each unit is fire rated and features slotted holes with mounting hardware (Phillips-head screws) for easy installation and adjustment.

FEATURES

- Ideal For Warped and Damaged Doors**
Wraps door bottom in an aluminum, gasketed shoe to quickly and effectively seal weathered entryways.
- Improves Comfort & Wellness**
Keeps drafts, noises, dirt, critters, light, and smoke from sneaking under the door.
- Long-Lasting Energy & Utility Bill Savings**
Features architectural-grade extruded aluminum and a durable, pliable sealing gasket for enhanced longevity and efficiency.
- Easy To Install**
Slotted holes and included hardware make mounting and adjusting simple and quick.

Fits most standard
1.75" entry doors.
