

# Screw-On Aluminum Channel Door Set

KC500

## OVERVIEW

Our premium-grade weatherstripping combines a durable, long-lasting aluminum carrier with a Z-shaped, flap-style gasket. Spanning gaps up to 1/2", it provides protective sealing against drafts and the outdoors while improving your comfort, saving energy, and lowering bills. This door set's innovative Dual Seal Technology™, combined with its slotted mounting adjustability, ensures fast and effective installation for passing blower door tests and is a perfect solution for weatherstripping standard doors.

## FEATURES

- **Weathertight Sealing Gasket**
  - Z-shaped protective flap seals against drafts and outdoor elements
  - Spans door gaps up to 1/2"
  - Pliable TPR construction that won't crack, shrink, or become brittle or stiff
- **Robust Aluminum Construction**

Carrier's extruded aluminum durability and compact profile deliver tough, long-lasting weatherization
- **Dual Seal Technology™**

Z-shaped door gasket with back-of-carrier extension provides enhanced air sealing and on-door stability for improved performance and longevity
- **Blower Door Test Effective**

Dual Seal Technology™, notched sides, and post mounting adjustability for passing blower door tests with ease
- **Fast & Adaptable Mounting**

Included hardware (screws), slotted mounting adjustability, and caulk-free installation
- **Color and Sizing**

Available in a neutral gray to match most doors; 84" sides with 36" top
- **Save Energy & Lower Bills For Years To Come**
