

Professional Aluminum Channel Screw-On Door Set

KC600-G

KC600-B

KC600G-84

KC600W-84

OVERVIEW

Ideal for virtually all doors, our elite-grade weatherstripping combines a durable, long-lasting aluminum carrier with a robust V-shaped sealing gasket to quickly and effectively keep the comfort in and the drafts, noise, dirt, and critters out while saving energy and lowering bills. Spanning gaps up to ¾", the thermoplastic rubber (TPR) skinned closed-cell foam seal is moisture resistant, remains pliable in cold temperatures, and won't lose its shape over time. This door set's innovative Dual Seal Technology™, combined with its slotted mounting adjustability, ensures fast and effective installation for passing blower door tests on the first try.

FEATURES

- **Superior Quality Weathertight Sealing Gasket**
 - V-Shaped for hinged compression to maintain robust sealing on doors with small to large gaps.
 - Durable closed-cell-foam with TPR skin.
 - Seals gaps up to ¾".
 - Insulates from outdoor conditions.
 - Outstanding water resistance.
 - Remains pliable, even in subzero temperatures.
 - Provides excellent compression set resistance to preserve shape over time.
- **Robust Aluminum Construction**
Carrier's extruded aluminum durability and compact profile deliver tough, long-lasting weatherization to warped and inconsistent doors.
- **Dual Seal Technology™**
V-shaped door gasket with back-of-carrier extension provides enhanced air sealing and on-door stability for superior performance and longevity.
- **Blower Door Champion**
Dual Seal Technology, notched carrier tops, bevel-cut gaskets, and post mounting adjustability for passing blower door tests on the first try.
- **Fast & Effective Mounting**
Included hardware (screws), slotted mounting adjustability, and caulk-free installation.
- **Multiple Colors & Sizes**
Available in brown, white, and gray colorways and two sizes; 80' sides with 36" top or 84" sides with 36" top.
- **Save Energy & Lower Bills For Years To Come**
