V-SEAL

OVERVIEW

Upgrade homes with Simply Conserve®'s V-Seal Adhesive-Backed Weatherstripping, perfect for both professionals and DIY enthusiasts. Made from pre-scored polypropylene, it conforms to large and small gaps, ensuring a snug fit. Installation is a breeze—just cut to size, fold, and stick. This versatile weatherstripping seals both doors and windows, blocking drafts, dust, and noise, while enhancing energy efficiency and potentially lowering heating and cooling costs. Enjoy a more comfortable, quieter, and energy-efficient living space with our easy-to-install weatherstripping.

FEATURES

- **Versatile Application for Doors and Windows**
Perfect for sealing both doors and windows, fitting tight spaces and narrow gaps with ease.
- **Optimal Compression**
The V-shaped design ensures optimal tension and compression, providing a snug fit for blocking drafts, dust, and noise.
- **Energy Efficiency and Cost Savings**
Saves energy by filling narrow gaps and preventing air leaks, to lower heating and cooling costs.
- **Convenient and Long-Lasting**
With a 17 ft. unspooled length, this weatherstripping is ideal for use in energy efficiency kits, offering a reliable and long-lasting solution for maintaining comfortable indoor environments.
